- ✓ 1-Year defects liability period.
- ✓ 60 days return and replacement warranty.
- ✓ 18-month free replacement for the controller. (if they are broken)
- ✓ Return postage is borne by customers.
- ✓ Return requests as "I don't like it", "I don't want it", "the color doesn't look good" are not accepted.
- ✓ keep the original outer package for a successful return.

Frequently Asked Questions

Q1: Wavelength and negative ion specifications on this model ?

A1: The negative ions are anywhere between 300 and 700. The wavelength of far infrared is anywhere between 5 and 14 μm.

Q2: How many jade stones are there?

A2: 96 independent natural jade and 33 independent tourmaline.

Q3: Can this pad be plugged in to the lighter socket in a car?

A3: I sure hope not. When I use this pad, I tend to fall asleep rather quickly. The unit does not come with a voltage converter that you would need to run off a car battery. It is intended for 110~120VAC.

Q4: Is this mat FSA eligible?

A4: Yes, it should say in the listing if Amazon makes it eligible.

Q5: how do you chage setting from F to C ?

A5: No, the temperature only with Fahrenheit.

Q6: What voltage can this device be used?

A6: The device can be used within AC110-120V.

Q7: Heat makes me itch. Will the deep heating feature on this be a problem?

A7: No, it has not been that way with the heat therapy. It make the blood flow quicker to the hurt and makes it feel much better. It works great.

Q8: Are there side effects?

A8: Don't worry about it, but please notice you may have skin irritation if you're allergic to the fibers.

Q9: How long will it take to experience relief of the device?

A9: We recommend wearing it for 2-3 therapy sessions per day for the first month, 10-30 minutes each time. Take a rest and drink some water to relax yourself before the next following use. Please be patient because it may take several weeks to experience optimal relief.

A10: Is this washable?

A10: No, this is a complicated electrical device. You can't wash it entirely. But you can use a wet towel to clean it outside.

Q11: Can you use this product for back pain while Pregnant?

A11: NO, Please don't use it while pregnant.

Q12: Can this be used on a recliner?

A12: Yes, it works well on a recliner. Very compatible.

Q13: Can I use it while lying in bed?

A13: Yes, the mats are known to help with back and hip pain. It would help in any position; most people use it by lying on it on a bed.

Q14: Does this work well for back spasms?

A14: Yes, it does very well.

Q15: Can I put my head on the mat?

A15: No, Heat is not suggested for the brain.

Introduction

What's in the mat?

Each mat comes with round pieces of jade and tourmaline held in place with a mesh lining that increases the flexibility. You can use it comfortably on the floor, in bed, on a sofa, in a recliner, or even propped up against the wall. Sleep on the mat overnight to extend the time you spend bolstering your wellness. Just turn up the heat and relax as the stones release high levels of far infrared and negative ions. These natural therapies will help elevate your wellness levels to temporarily boost your circulatory system. Use the intuitive controls to find the temperature to the degree at which you are the most comfortable. Begin the journey to better wellness with a model that continues to prove itself time and time again.

Far-infrared rays, which deeply and evenly penetrate throughout the skin, muscle, tissue, joint of the body, bringing relief and healing by increasing circulation and reducing inflammation.

Naturally reduce muscle tension, back pain by simply laying on the mat daily for 10-30 minutes. helps release tight muscles and relieve stress.
